

ONE-STOP MULTI-UNIT TRUST PLATFORM

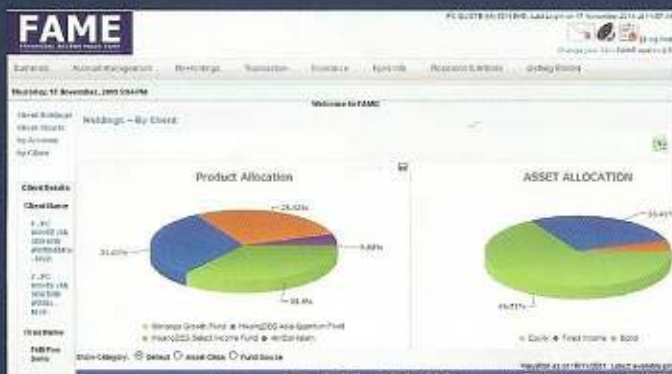

Phillip Mutual Berhad (PMB) offers more than 280 funds from 22 Unit Trust Management Companies (UTMCs) investing in various economic sectors, industries and region. With PMB, you are assured ease of access to the widest selection of unit trust funds and Fund Managers in Malaysia, **all on a single 'investment' platform.**

Under our **Financial Access Made Easy (FAME)** platform, you and your advisors can easily track and manage the investment portfolio in one place.

By accessing our website, you can buy, sell, switch and exercise your cooling-off right and monitor valuation of all your investment, saving you the hassle of tracking each investment individually.

Additionally, **Phillip Master Money Market Fund** offers you the opportunity to earn a tax free income potentially higher than bank deposit returns while waiting for the right time to invest in equities or bond market.

One huge benefit of opening an investment account with PMB as your multi-unit trust platform is the reduction of paperwork. With just one Master Account, you can easily invest, switch, redeem, transfer and do regular savings of your units in various unit trust funds from different UTMCs. You will only get one consolidated statement that detail all your investment holdings.

Additionally, you may check fund prices and monitor portfolio via FAME and our website, which provide you funds' updates, funds' report, dividend distribution, if any, and funds' announcement 24 hours 7 days a week throughout the year.

RESEARCH & FUNDS UPDATE

We provide you with market outlook and strategies from different UTMCs on a periodic basis. Via **Phillip Funds Focus (PFF)** and **Phillip Allocator**, you will be professionally guided in selecting your investment. PFF encompasses current issues on local and global market, economic review and unit trust recommendation based on prevailing market outlook and investment strategy.
