

BULLMES

PRESENTATION OF COMPANY

Welcome to **BULLMES** Ecosystem

**GROWING BRAND ON THE MARKET OF
CRYPTOCURRENCIES AND FINANCIAL TECHNOLOGY.**

Our company is the leading experts, traders, managers of high-yield investments in the cryptocurrency market.

BULLMES launches advanced crypto platform with access to cryptocurrency investment products. We offer a range of products to help you make the most of your investment. Our investment opportunities give you the chance to choose where you want to invest and make money while you relax.

The profit generated by traders, bots, distribution and use of money in cryptocurrency transactions is received by three parties in this process: investors, traders and our company.

How we work and earn?

Our professional traders interact with AI-powered trading bots. This makes it possible to achieve higher productivity, make more profits and implement different strategies and parameters when trading.

We use a unique automated algorithm to monitor prices on all cryptocurrency exchanges in real time.

BULLMES allows anyone to safely and easily access the global crypto asset market and earn passive income.

Distribution of income from trade:
Investors: 75-85%
Traders: 10-15%
BULLMES: 7-10%.

ETHEREUM

BNB

STAKING CRYPTOCURRENCIES

Staking is a way to earn rewards for holding certain cryptocurrencies.

- ✓ The ability to bet with your own cryptocurrency will be added soon.
- ✓ You can “stake” some of your holdings and earn a percentage-rate reward over time.
- ✓ Staking your cryptocurrency provides you with Annual Percentage Yield (APY) rewards on your staked tokens..

STAKING BTC

Bitcoin is a digital asset and payment system invented by Satoshi Nakamoto, who published a white paper on a peer-to-peer electronic cash system in 2008 and released it as open source software in 2009.

Minimum staking:
0.01 BTC
