We are pleased to welcome you to
YOUHAO FOUNDATION

Commonwealth of two countries - China and Russia

The main activity of YOUHAO FOUNDATION, is the organization of the segment of successful start-ups, exchange transactions, development of liquid small and medium-sized businesses, both in China and in Russia. YOUHAO FOUNDATION is dedicated to profiting from successful deals.

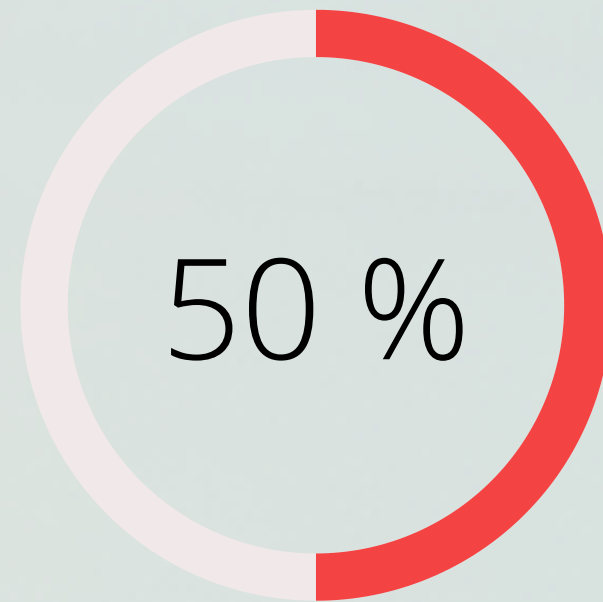

After that, the profits are spread over three sectors: ...

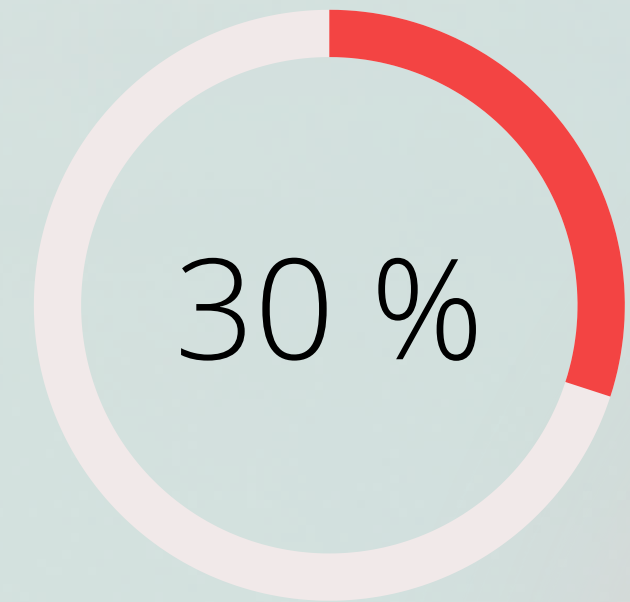

Sector "Lirun"

the fund's
disbursement of
funds in the amount
of 20%

Sector "Cun tuo chu"

payment of depository
commissions to
investors 50%

Sector "Shuishou"

payment of taxation in
China and Russia, to conduct
legal activities. Payment of
salary fund 30%

What YOUHAO FOUNDATION includes

...

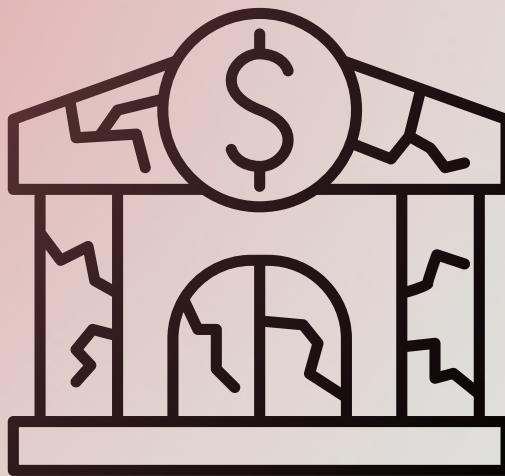

Construction of infrastructure facilities, highways, Streets and bridges , land division. Construction of non-residential buildings.

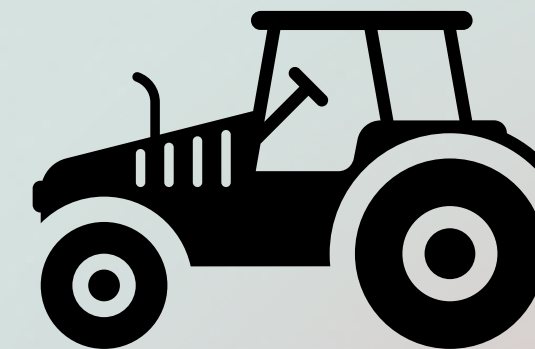

Trading on China's domestic stock exchange - Shanghai Stock Exchange (Shanghai Stock Exchange).

Acquisition of "startups" of various orientations.

Purchase of companies and institutions with the status of "Bankrupt" promising in the opinion of experts of the company.

Purchase of agricultural equipment in China and sending it to Russia, for further leasing to the commercial and public sector.

FRCI coin - Friendship of Russia and China investment

The organization of the fund was carried out by two friendly countries -
Russia and **China**.

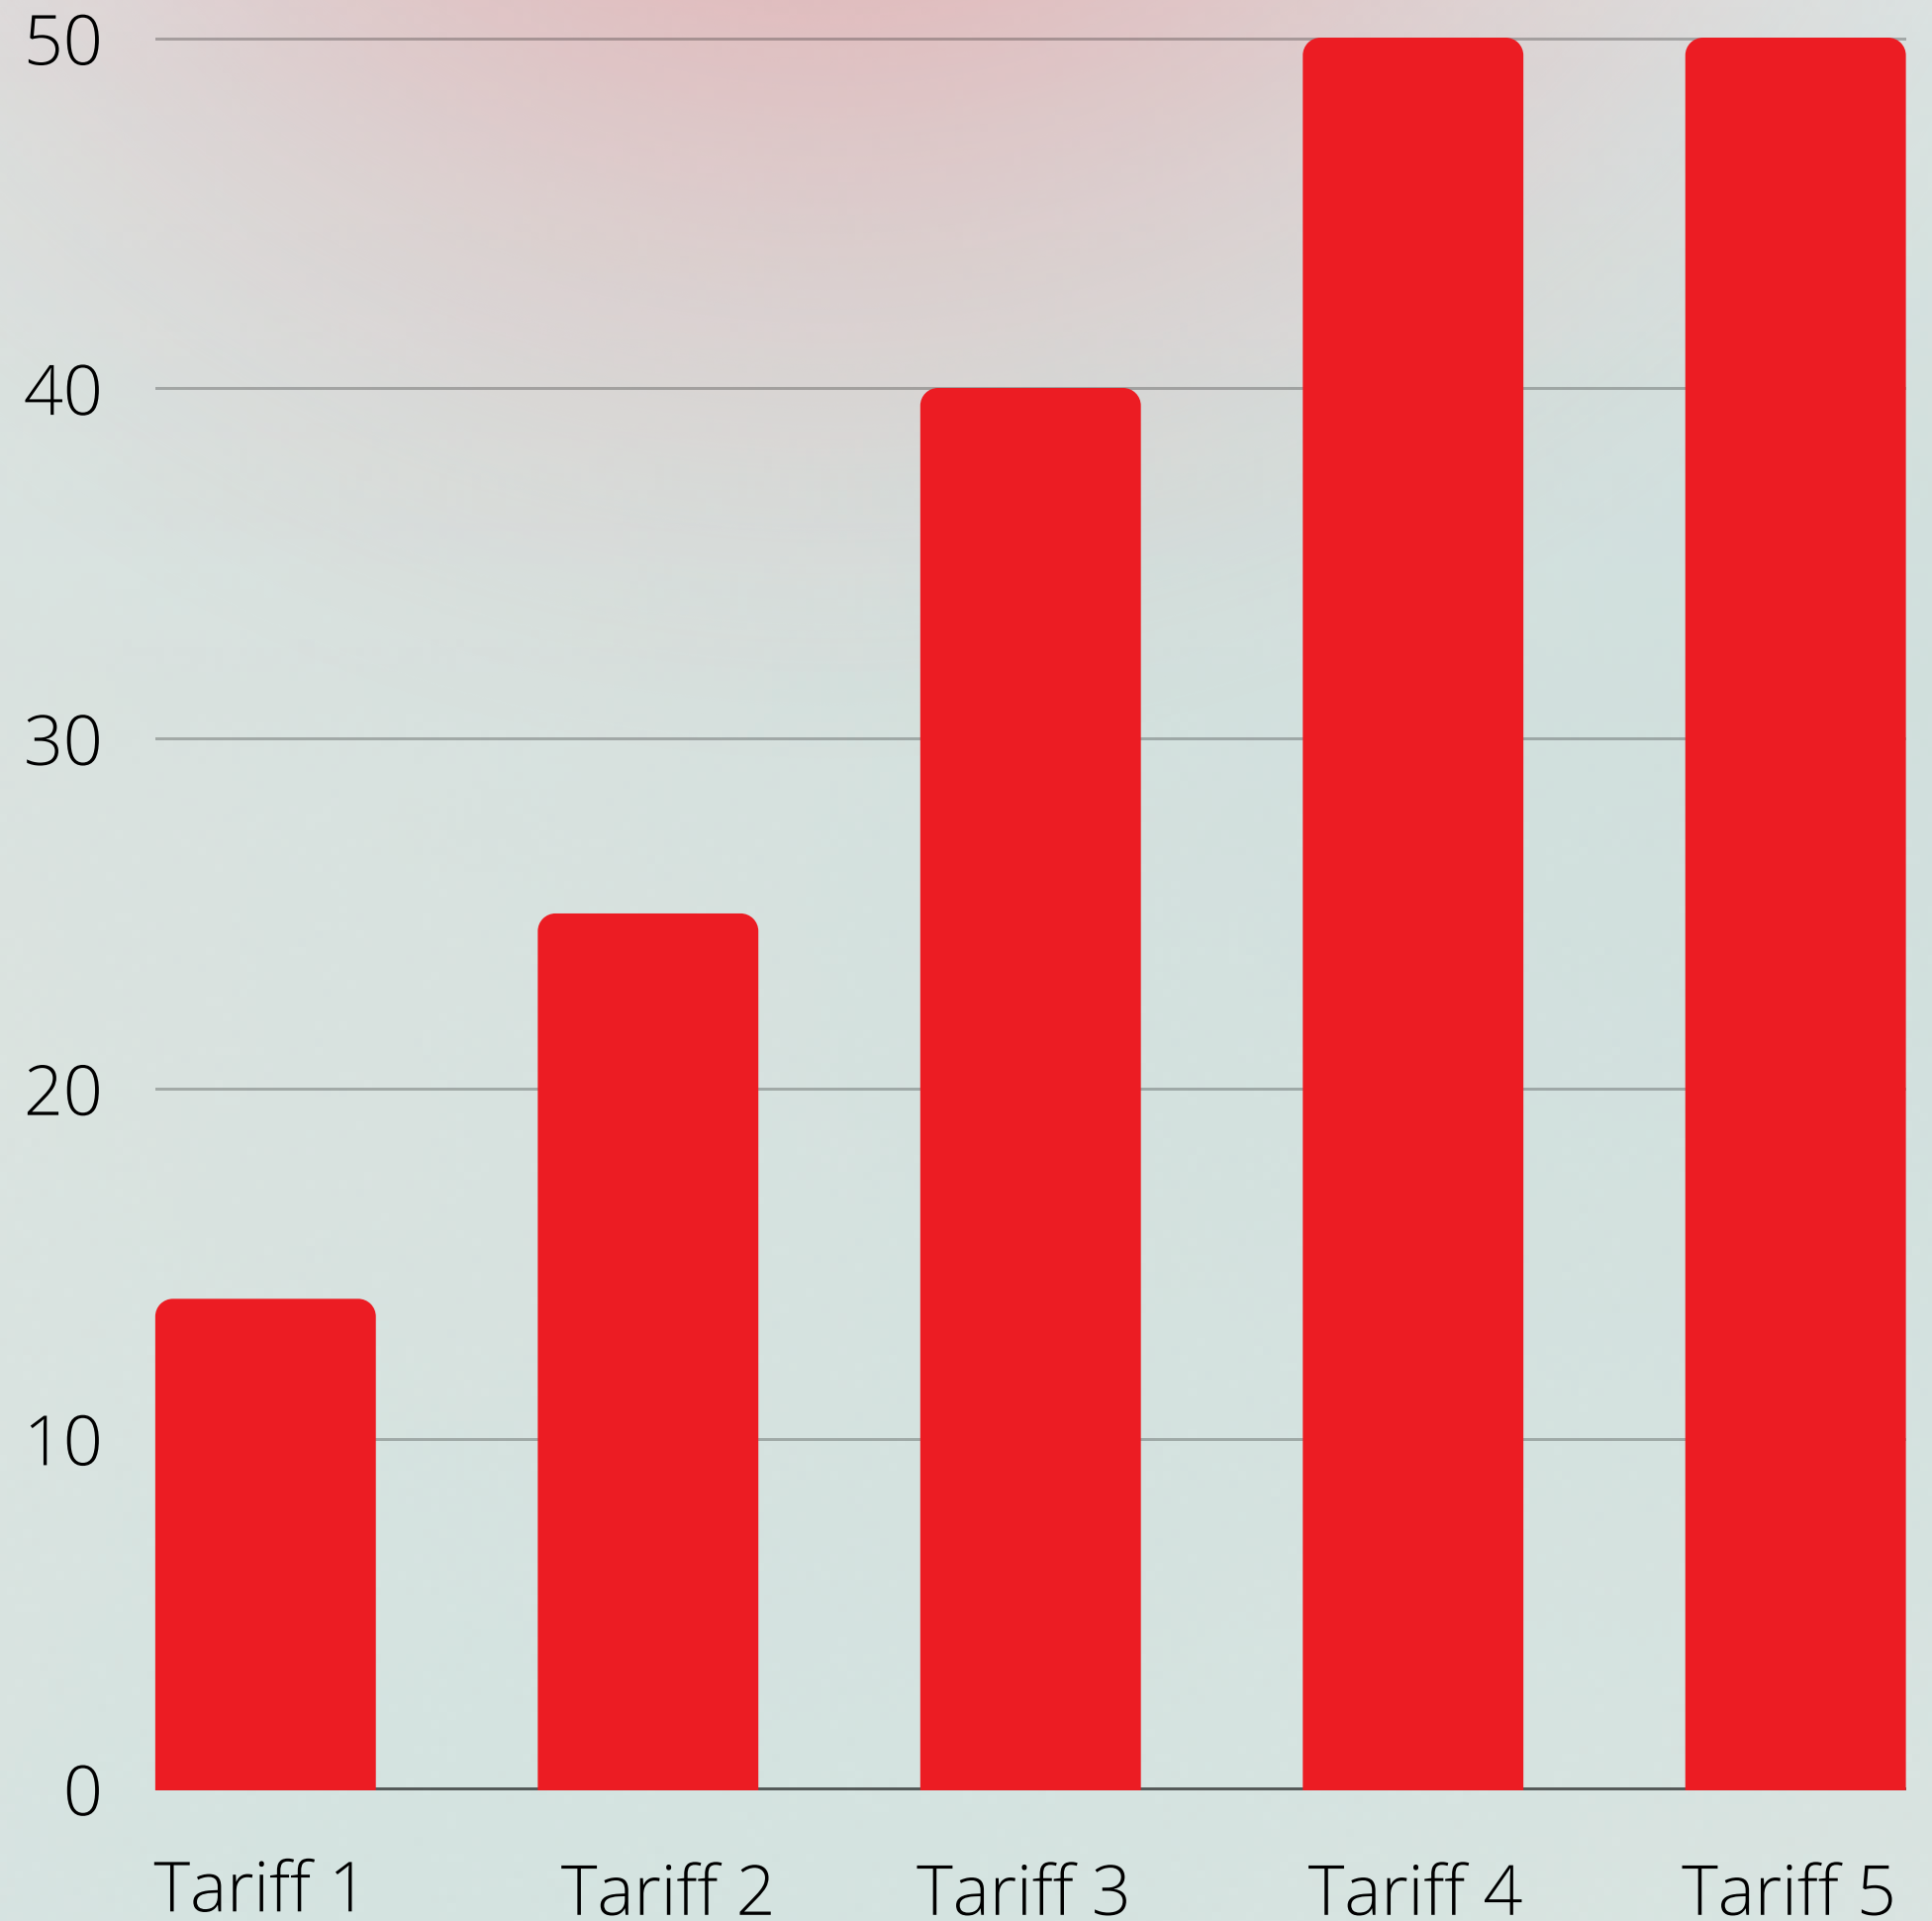

Based on the state Silk Road program, the Chinese call this concept - "One Belt, One Road."

On this basis, our company has decided to consolidate this commonwealth in FRCI (1 FRCI = \$ 1) for the ease of use of our platform.

The investment program is presented in 6 tariff plans

*6th tariff plan with no expiration date

What is auto output in youhao

This is a unique opportunity to get fast your earnings.

After reaching **1** RANGE you have a trust open Youhao.

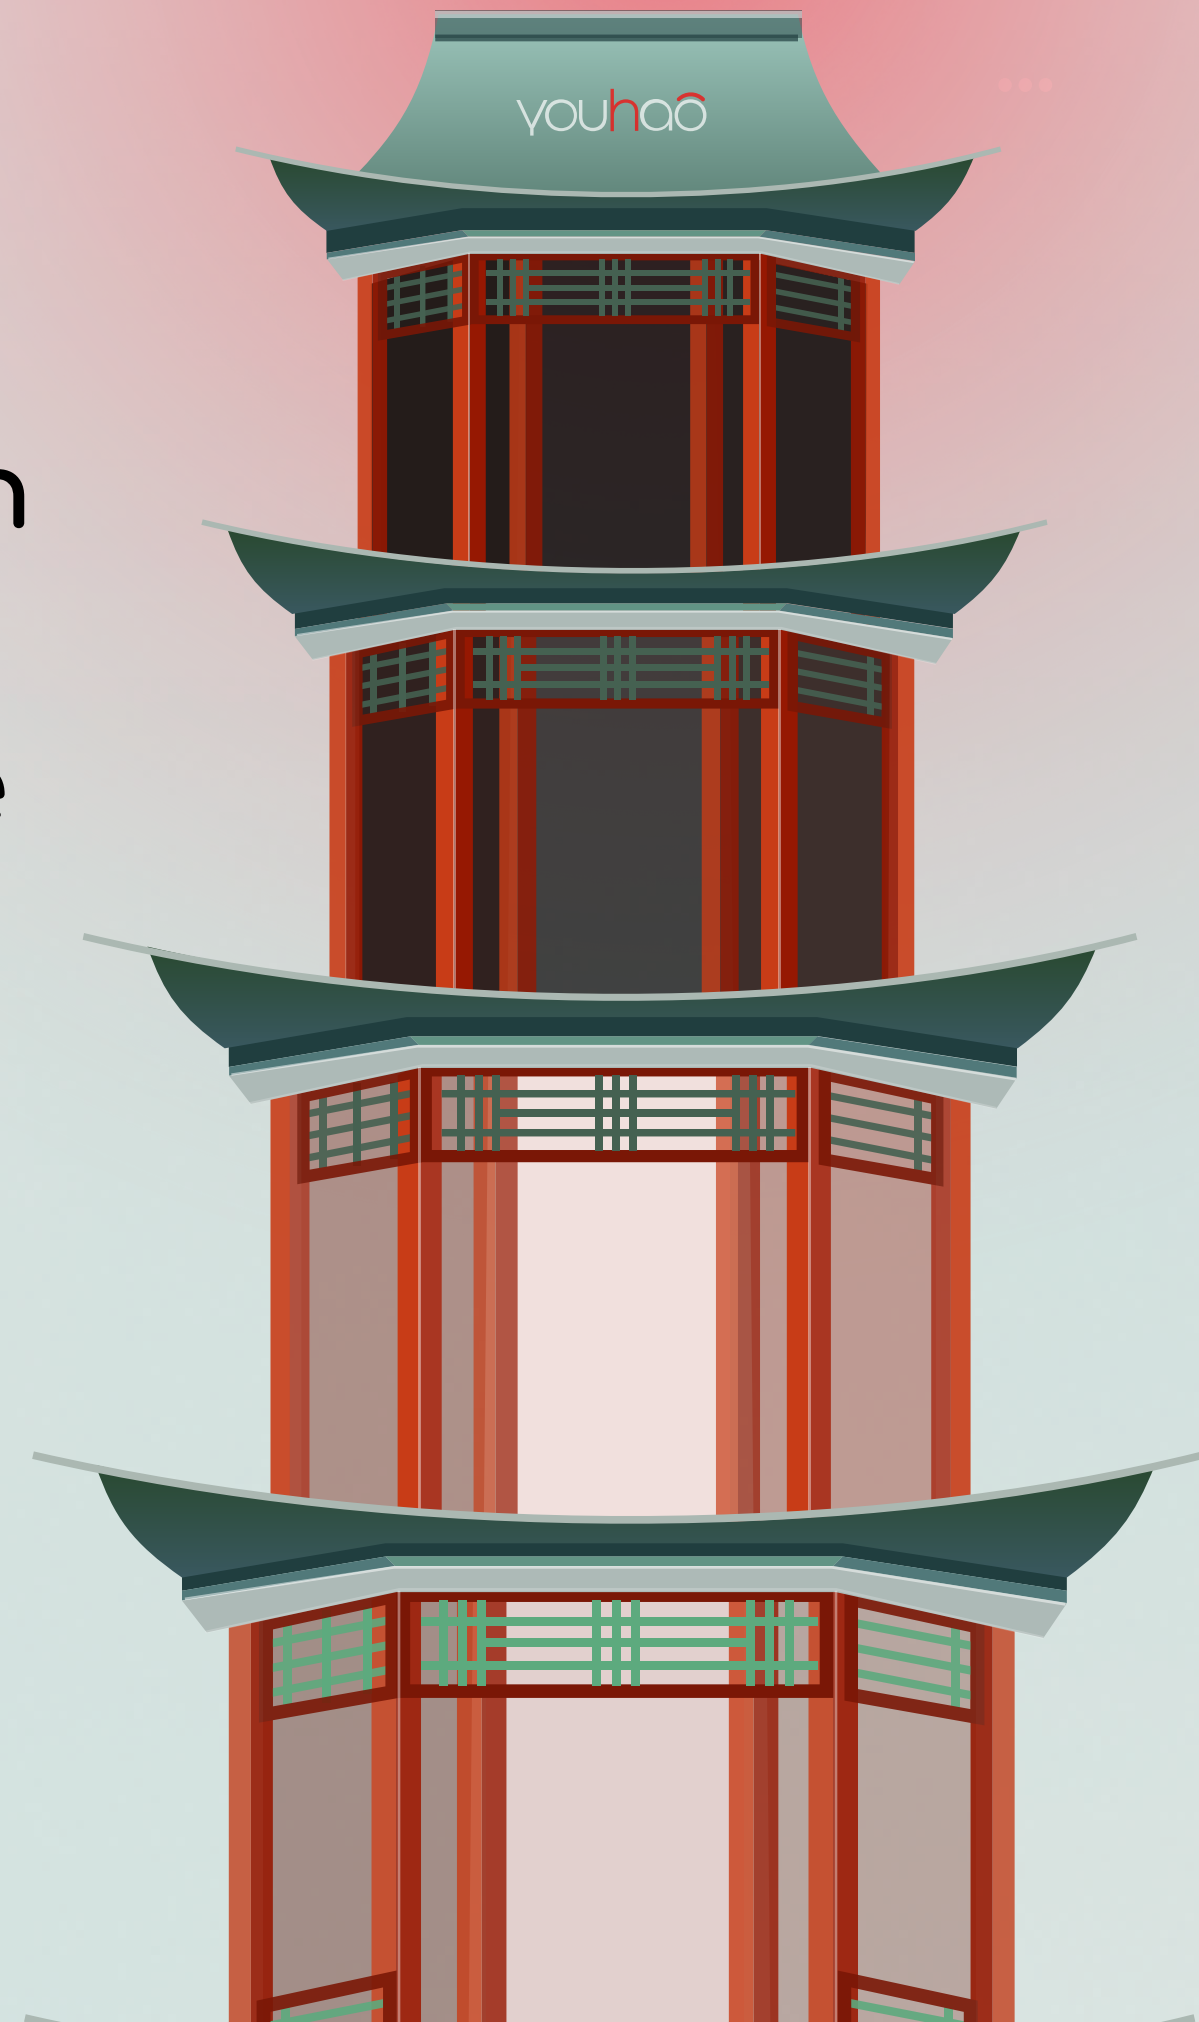

You become a TOP affiliate, and then you go through "KYC" procedure on the site and you open your own automatic withdrawals.

You get instant withdrawal from Youhao platform
(only USDT TRC 20 network confirmation required)

For partners who do not have their own deposit, but are actively engaged in promotion and agency activities, there is also a system of incentives.

Withdrawal is available after accumulation of 500 \$, provided that the tariff plan has been activated.
